Description

The Tolsen Protective Visor is a safety device designed to offer optimal protection in work environments and outdoor activities. Made with high-quality materials, its upper part is composed of HDPE, a strong and durable material that guarantees the product's integrity in various conditions. The polycarbonate shield provides clear visibility and effective impact protection, ensuring user safety at all times. Its design includes a ratchet adjustment system, accompanied by a headband that improves comfort during prolonged use. Additionally, the visor can be flipped up, allowing the user to adjust the viewing angle to suit their specific needs.

- **CE Certification:** Complies with European safety regulations.
- **HDPE Top:** Strong and durable material.
- **Polycarbonate Visor:** High clarity and impact resistance.
- **Ratchet Adjustment:** Facilitates a custom fit.
- **Comfort Band:** Improves comfort during use.
- **Adjustable Visor:** Can be flipped up for different viewing angles.
- **Labeled Packaging:** Includes relevant product information.
- **EAN13:** 6933528745624.

Specifications

EAN	6933528745624
Material	Polycarbonato
