Description

Polished brass numbers are an elegant and functional option for signage and decoration. Made of solid brass, these numbers feature a polished finish that gives them a sophisticated and durable look. Available in sizes ranging from 4 to 75 mm, they are ideal for a wide range of applications, from door identification to house numbering. Their design allows for easy mounting with concealed screws, ensuring a clean and aesthetically pleasing installation. Each pack includes two stainless steel screws, ensuring a robust and corrosion-resistant fixing. Presented in a bag, these numbers are a practical and decorative solution for any environment.
