Description

The 20mm Regular Shackle Brass Padlock is a reliable and durable security solution, designed to effectively protect your belongings. Made from high-quality materials, this padlock combines strength and functionality in a compact and practical design.

- Material: Polished and varnished brass, offering excellent corrosion resistance and an aesthetic finish.
- Lock: High security system that provides additional protection against tampering attempts.
- Shackle: Made from treated and hardened steel, which increases its resistance to cutting and sawing.
- Keys: Includes two nickel-plated brass keys, ensuring durability and wear resistance.
- Sizes: Available in various sizes to suit different security needs.
