Description

The **Long Shackle Brass Padlock - 20mm** is a robust and reliable security solution, designed to offer superior protection in a variety of applications. Its body is made of polished and varnished brass, which not only gives it an attractive aesthetic but also exceptional resistance to corrosion and wear. The special high-security locking mechanism ensures an additional level of protection, making this padlock ideal for securing valuables and sensitive areas.

The hardened steel shackle provides increased resistance to cutting and tampering, ensuring that your belongings remain protected.

This padlock is versatile and adapts to different needs, thanks to the availability of several sizes.
