Description

The **Brass Padlock with Standard Shackle and Keyed Alike - 60mm** is a robust and reliable security solution, ideal for protecting your belongings. Made of polished and varnished brass, this padlock offers not only an attractive aesthetic but also superior resistance to corrosion and wear. Its special high-security locking mechanism ensures effective protection against unauthorized opening attempts, while the treated and hardened steel shackle provides increased resistance to cutting and tampering. This padlock includes two nickel-plated brass keys that are compatible with each other, making it easy to use and eliminating the need for multiple keys. Available in various sizes, it adapts to different security needs.

- **Keyed alike:** Includes two keys that work on the same padlock.
- **Material:** Made of polished and varnished brass for durability.
