Description

The toilet door slam is an essential component to ensure privacy and functionality in bathroom spaces. Specifically designed for swing doors, this knob combines durability and style, providing a practical solution for both residential and commercial settings.

- Swing Door Lock: Designed to ensure a firm and secure closure, providing privacy in bathrooms and shower stalls.
- Exterior Free/Occupied Viewer: Includes a visual indicator that allows you to know the bathroom occupancy status from the outside, improving communication and avoiding unnecessary interruptions.
- 304 Stainless Steel Finish: Made of high-quality stainless steel, this knob offers corrosion resistance and an elegant finish that integrates easily into any bathroom design.
- Interior and exterior panel installation: Versatile in its installation, it can be mounted both inside and outside the door panel, adapting to different space configurations.
- Suitable for shower cabins: Its design and materials make it suitable for use in humid environments, such as shower cabins, guaranteeing optimal and long-lasting performance.
