Description

The WADFOW WCD2512 impact driver is a powerful and efficient tool designed to meet the needs of the most demanding professionals. Equipped with advanced technology, this device delivers superior performance in a wide variety of applications, from construction work to home repairs. Its ergonomic design and technical features make it a reliable choice for those seeking precision and durability in their tools.

- **Brushless Motor:** Provides greater efficiency and durability, reducing wear and tear and increasing the lifespan of the device.
- **Voltage:** 20V, offering the power needed to perform demanding tasks with ease.
- **1/4" Hex Shank:** Compatible with a wide range of accessories and screwdriver bits.
- **No-Load Speed:** Two speed settings, 0-1300 rpm and 0-2300 rpm, to suit different types of work.
- **Impact Rate:** 0-2000 bpm and 0-3300 bpm, providing the necessary force for heavy-duty jobs.
- **Maximum Torque:** 170 Nm, ensuring optimal performance in applications requiring high torque.
- **Integrated LED Work Light:** Improves the Visibility in dimly lit work areas.
- **Charging voltage:** 220V-240V~50/60Hz, compatible with most standard power grids.

Specifications

EAN	6941786813535
Nominal voltage (V)	20V
