Description

The WADFOW 6-outlet power strip with switch is a practical and safe solution for power distribution in the home or office. Designed with a focus on functionality and safety, this strip features a design that allows up to six devices to be connected simultaneously, making it easier to manage multiple electrical appliances. Its 1.4 meter, 3G1.5 mm² H05VV-F cable guarantees a robust and reliable connection, supporting a maximum current of 16 A. Made with PVC and copper materials, this power strip is flame retardant, adding an extra level of safety in its daily use.

- **6-way Germany type power socket**
- **3G1.5 mm² H05VV-F cable**
- **Maximum current:** 16 A
- **Network length:** 1.4 m
