Description

The replacement nozzle Ref. 50375, Code WGA1510-SP-4, is an essential component designed to replace worn nozzles on your equipment. Manufactured with high-quality materials, this nozzle ensures optimal performance and long durability, allowing your device to operate efficiently. Its precise design ensures easy installation and compatibility with the indicated part number, making it an ideal choice for maintaining the functionality of your equipment without complications.

- **Reference:** 50375
- **Code:** WGA1510-SP-4
- **Material:** High quality and resistance
- **Compatibility:** Specifically designed for part number 50375
- **Performance:** Ensures optimal equipment operation
- **Installation:** Quick and easy, no additional tools required
- **Durability:** Wear-resistant for extended use
- **Application:** Ideal for maintaining the functionality of your equipment
- **Use:** Replacement of worn nozzles
- **Dimensions:** Adjusted to the manufacturer's specifications
