Description

The WADFOW galvanized hook (blister pack of 2) is a robust and reliable solution for hanging and securing objects in a variety of applications. Made of carbon steel, this hook features an electro-galvanized surface treatment that provides excellent corrosion and wear resistance, ensuring durability in both indoor and outdoor environments. Its design is optimized to withstand loads up to twice the working load limit, making it an ideal choice for tasks that require secure and stable support.

- **Material:** Carbon steel
- **Surface treatment:** Electro-galvanized
- **Breaking load:** 2 times the working load limit
- **Use:** For hanging and fixing objects
- **Packaging:** Blister card (2 units)
- **EAN13:** 6923736780975
- **Dimensions:** 8 mm
- **Applications:** Home, workshop, garden
- **Strength:** High durability and corrosion resistance
- **Installation:** Quick and easy

This hook is an essential tool for those looking for a practical and efficient solution for organizing and storing objects.

Specifications

EAN	6923736780975
