### Description

The WADFOW 12-piece ratchet socket set is an essential tool for any DIY enthusiast or professional. This set includes 10 1/4" drive sockets covering the most commonly used sizes from 5 mm to 14 mm, making it a versatile choice for a variety of applications. It also features a 1/4" quick-release ratchet handle with a 45-tooth capacity, allowing for smooth and efficient operation. The 3" (75mm) extension bar makes it easier to access tight spaces, improving comfort and efficiency at work.

Made of high-quality CrV 50BV30 steel, this socket set has undergone heat treatment to ensure durability and wear resistance. Its chrome finish not only provides attractive aesthetics but also protects against corrosion, ensuring a long product life. Presented with a plastic hanger allows for neat and practical storage.
