Description

The **100mm (4") Handled Roller** is an essential tool for interior wall paint application. Designed from high-quality polyester material, this roller ensures even paint distribution, resulting in a smooth, professional finish. Its compact 100mm (4") size is ideal for working in small, hard-to-reach areas, allowing for greater precision with every stroke. The 12mm pile height provides excellent paint loading capacity, optimizing performance and reducing the need for multiple coats. This roller comes with a sleeve, ensuring durability and ease of use. Plus, it comes packaged in a plastic bag, making it easy to store and transport.
