Description

The WADFOW Engineer Rain Suit, in size XL, is designed to offer protection and comfort in adverse weather conditions. Made from high-quality materials, this suit guarantees durability and functionality, making it a reliable choice for those who need to stay dry and comfortable during their outdoor activities.

- Material: 100% Brand New PVC, providing an effective barrier against rain.
- Thickness: 0.25mm, offering an optimal combination of lightness and strength.
- Size: XL, suitable for a wide range of users.
- Waterproof and breathable, ensuring the user stays dry without compromising comfort.
- With adjustable drawstring on the hat, allowing a custom fit for added protection.
- Underarm ventilation, improving air circulation and reducing internal moisture build-up.
