Description

The Witte-53012 screwdriver is a tool designed to deliver exceptional performance in jobs requiring strength and precision. Its high-alloy steel shaft ensures superior durability, while its ergonomic design allows for extended use without fatigue. With a 120° turning angle, this screwdriver fits perfectly in the hand, facilitating handling in a variety of applications. The black tip provides increased tightening torque, ensuring each screw is tightened securely and efficiently.

- **Ergonomic Handle:** Two-component triangular design in gray/blue for a comfortable grip.
- **High-Alloy Steel Rod:** Provides strength and flexibility for demanding jobs.
- **High Strength and High Torque:** Ideal for tasks requiring a firm tightening.
- **Black Tip:** Improves grip and efficiency when tightening screws.
- **Matte Chrome Finish:** Finish that prevents corrosion and improves durability.
- **Acid-Etched Dimensions:** Facilitates identification and correct use of the tool.
- **120° Rotation Angle:** Optimizes ergonomics and reduces wrist strain.
- **Flexible and strong:** Designed for safe and powerful work.
