Description

The Witte-53014 screwdriver is a tool designed to deliver exceptional performance in jobs requiring strength and precision. Its high-alloy steel shaft ensures superior durability, while its ergonomic design allows for extended use without fatigue. Featuring a two-component triangular handle in gray and blue, this screwdriver fits comfortably in the hand, facilitating a secure grip and optimal control during use. The black tip of the screwdriver provides greater strength and tightening torque, making it an ideal choice for demanding tasks.

- **Ergonomic Handle:** Two-component triangular design for a comfortable grip.
- **High-Alloy Steel Shaft:** Ensures strength and durability over time.
- **High Strength and High Torque:** Ideal for jobs that require power.
- **Black Tip:** Improves grip and force transfer.
- **Acid-Etched Dimensions:** Facilitates identification and correct use of the screwdriver.
- **Matte Chrome Finish:** Provides a professional appearance and corrosion resistance.
- **120° Turning Angle:** Optimizes ergonomics and reduces wrist strain.
- **Flexible and Strong: Designed for safe and powerful work. Versatile Use: Suitable for various applications in the home and industry. Witte Quality: Recognized for its excellence in hand tools.**
