WITTE pro 10x80 mm Torx screwdriver, high precision and durability.

Brand: Witte

Reference: TUR 98906

Witte-98906 PRO Torx Screwdriver (10x80) with Torx tip and ergonomic handle. Made with a special high-alloy steel shaft, its design combines hard and soft components for better load distribution and greater comfort during use.

[View product online](#)**Description**

The Witte-98906 (10x80) Torx PRO screwdriver is a versatile tool designed to meet the needs of professionals and DIY enthusiasts. Its Torx tip allows for precise adjustments in a wide variety of applications, ensuring optimal performance every time. The shaft is made of special high-alloy steel, providing exceptional durability and wear resistance, ensuring the screwdriver maintains its effectiveness over time.

The ergonomic handle of the Witte-98906 has been designed to offer a comfortable and efficient user experience. The combination of hard and soft components in its construction improves load distribution, resulting in more comfortable work and reducing muscle fatigue during extended use.

This feature is especially valuable for those who require tools that can withstand long workdays without compromising comfort.

- Torx tip for precise adjustment
- Ideal for all types of applications
- Ergonomic handle for greater comfort
- Special high-alloy steel shaft
