Description

The Witte-96104 flathead screwdriver is a high-quality tool designed to deliver exceptional performance in a variety of applications. Its carefully crafted wooden handle provides a comfortable and secure grip, while the leather washer on top acts as a shock absorber, reducing impact during use. The shaft is made of chrome-vanadium steel, a material known for its strength and durability, ensuring a long product lifespan. Furthermore, its matte chrome finish not only enhances the aesthetics but also protects against corrosion and wear.
