**WITTRON precision screwdriver
with flat tip 0.30x1.5x1.8x40
mm.**

Brand: Witte

Reference: TUR 89714

WITTRON Witte-89714 precision screwdriver with flat tip (0.30x1.5x1.8x40). Designed for detailed work, it offers comfort in various positions and access to deep screws. Its ergonomic, non-slip handle and matte chrome-plated steel shaft ensure durability and efficiency.

[View product online](#)**Description**

The WITTRON Witte-89714 precision screwdriver is a tool designed to meet the needs of the most delicate and demanding jobs. Its design allows easy access to deep screws, making it an ideal choice for assembly and repair tasks in confined spaces. The shaft is made of special high-alloy steel with a matte chrome finish that guarantees durability and wear resistance. The black tip provides better contrast and visibility during use.

The ergonomic handle, made of two non-slip materials, ensures a comfortable and secure grip, allowing for various working positions to suit the user's needs.

This screwdriver is an essential tool for professionals and DIY enthusiasts seeking precision and comfort in their daily tasks.
