Description

The WITTRON Witte-89753 precision Torx screwdriver is a tool designed to meet the needs of the most demanding jobs. Its ergonomic and functional design allows for comfortable and efficient handling, facilitating access to screws in deep and hard-to-reach places. The shaft is made of special high-alloy steel, guaranteeing exceptional durability and wear resistance. The black tip provides a matte finish that reduces slippage and improves grip on screws, ensuring a precise fit every time.
