Description

The Witte-89767 precision screwdriver is a tool designed to meet the needs of the most demanding jobs. Its 3x60 mm hexagonal tip allows for a perfect fit in hard-to-reach screws, facilitating work in confined spaces. The shaft is made of special high-alloy steel, guaranteeing exceptional durability and wear resistance. Its matte chrome finish not only provides a professional look but also helps prevent corrosion.

The screwdriver handle is ergonomically designed with two non-slip components, ensuring a firm and comfortable grip during use.

This allows for precision work in various positions, adapting to the user's needs and improving work efficiency.

- 3x60 mm hexagonal bit for precise adjustment.
- Easy access to deep screws.
- Ergonomic, two-component, non-slip handle.
- High-alloy special steel shaft.
- Matte chrome finish prevents corrosion.
- Design allows for various comfortable working positions.
- Ideal for precision work in electronics and mechanics.
- Lightweight and easy to handle.
- High strength and durability.
- Black tip for better visibility.

Specifications

High	4,50
Width	4,50
