Description

The Witte-27460-Standard Phillips Bit Guide 1/4" Long (PH3x70) is a tool designed to offer optimal performance in screwdriving applications. Its Phillips tip design allows for precise adjustment of this type of screw, ensuring a secure and efficient hold. With a length of 70 mm, this guide is ideal for reaching screws in hard-to-access places, facilitating work on construction, repair, and maintenance projects. Manufactured with high-quality materials, the Witte-27460 ensures durability and wear resistance, making it a reliable choice for professionals and DIY enthusiasts.
