Description

The Witte-27456-Standard Phillips Tip guide is an essential tool for professionals and DIY enthusiasts looking for precision and durability in their projects. With a length of 90 mm and a 1/4" drive, this guide is designed to fit a wide variety of screwdrivers and power drills, facilitating access to screws in tight spaces. Its Phillips (PH2) tip ensures a perfect fit and a secure grip, minimizing the risk of slippage during use. Made from high-quality materials, this guide offers exceptional wear resistance, ensuring optimal performance over time.
