

Product sheet

**WITTE STANDARD 5/16" long
flat tip 6x41 mm, ideal for
precision work.**

Brand: Witte

Reference: TUR 27831

The Witte-27831 is a 5/16" (6x41) standard flat bit. Designed for precision and durability, this bit is ideal for a variety of fastening and assembly applications. Its construction ensures reliable performance.

[View product online](#)**Description**

The Witte-27831-Standard Flat Tip is a high-precision guide designed for applications requiring exact fit and reliable performance. With a 5/16" diameter and a 6x41 length, this guide fits a variety of tools and machinery, ensuring optimal performance in industrial and manufacturing environments. Its robust construction and quality materials guarantee a long service life, while its ergonomic design facilitates handling and use during extended tasks.

- **Diameter:** 5/16"
- **Length:** 6x41
- **Type:** Standard Flat Tip
- **Material:** High-strength steel
- **Applications:** Tools and machinery
- **Use:** Industrial and manufacturing
- **Design:** Ergonomic for easy handling
- **Durability:** High wear resistance
- **Compatibility:** Versatile for different tools
- **Precision:** Precise adjustment for optimal performance

Specifications

EAN	4003955301570
Manufacturer	WITTE
Weight (kg)	0,0100
