Description

The Witte-27834-Standard Flat Tip is a high-precision guide designed for applications requiring exact fit and reliable performance. With a 5/16" diameter, this guide fits a variety of tools and machinery, offering a versatile solution for professionals in the construction and manufacturing industries. Its 12x41 mm length allows for comfortable and efficient handling, facilitating work in confined spaces and improving productivity. Made from high-quality materials, the Witte-27834 guarantees durability and wear resistance, ensuring optimal performance under demanding conditions.

- **Diameter:** 5/16"
- **Length:** 12x41 mm
- **Type:** Standard flat tip
- **Material:** High quality and resistance
- **Applications:** Construction and manufacturing
- **Compatibility:** Standard tools and machinery
- **Design:** Ergonomic for efficient handling
- **Durability:** Wear-resistant
- **Precision:** Precise fit for reliable performance
- **Use:** Ideal for industry professionals

Specifications

EAN	4003955310183

Manufacturer	WITTE
Weight (kg)	0,0100
