Description

The Witte-30681 Standard Flat Point is a high-precision tool designed to meet the needs of professionals in the construction and repair industries. With a 5.5 mm guide, this flat point stands out for its robustness and durability, making it an ideal choice for jobs requiring a high degree of reliability. Its ergonomic design allows for comfortable and efficient handling, facilitating the execution of tasks on various surfaces. The 4.5 cm length and 50 mm diameter ensure optimal performance in specific applications, guaranteeing quality results every time.

- **Model:** Witte-30681
- **Type:** Standard flat point
- **Guide:** 5.5 mm
- **Length:** 4.5 cm
- **Diameter:** 50 mm
- **Material:** High-quality steel
- **Use:** Ideal for precision work
- **Compatibility:** Power and hand tools
- **Resistance:** High durability and wear resistance
- **Applications:** Construction, repair, and maintenance

Specifications

EAN	4003955306810
Manufacturer	WITTE
Weight (kg)	0,0100
