Description

The Witte-29618-Torx Tip STANDARD TIN is a high-precision guide designed to offer optimal performance in applications requiring Torx screws. With a length of 50 mm and a T30 size, this 1/4" guide is ideal for jobs requiring deep access and precise control. Made from high-quality materials, its tin coating provides greater resistance to corrosion and wear, ensuring a long service life. Its ergonomic design allows for comfortable and efficient handling, facilitating work in both professional and DIY environments.

- **Product Type:** Torx Bit Guide
- **Size:** T30
- **Length:** 50 mm
- **Connection:** 1/4"
- **Material:** Tin-plated steel
- **Use:** Ideal for Torx screws in deep applications
- **Compatibility:** Standard 1/4" tools
- **Resistance:** High resistance to corrosion and wear
- **Design:** Optimized ergonomics for a better grip
- **Applications:** Professional and DIY
