Description

The Witte-27822-Torx STANDARD bit with a short 5/16" guide (T30x35) is a high-precision tool designed to deliver optimal performance in screwdriving applications. Its ergonomic design and robust construction ensure a long service life and excellent wear resistance. This guide is ideal for work in industrial and maintenance environments where a firm grip and a perfect fit are required for Torx screws. The short length of the guide allows easy access to confined spaces, facilitating work in hard-to-reach areas.

- **Tip Type:** Torx STANDARD
- **Guide Size:** 5/16"
- **Length:** 35 mm
- **Compatibility:** Torx T30 screws
- **Material:** High-quality steel
- **Treatment:** Corrosion resistant
- **Use:** Ideal for industrial and maintenance applications
- **Design:** Optimized ergonomics for a better grip
- **Access:** Ideal for confined spaces
- **Durability:** High wear resistance
