Description

The Witte-27824-Torx STANDARD 5/16" Short Guide (T45x35) is a high-precision tool designed to deliver optimal performance in applications requiring a secure and efficient fit. Made from high-quality materials, this guide is designed to facilitate the use of Torx screws, providing a perfect fit that minimizes the risk of slippage and damage to the screw head. Its short design allows for easier access in confined spaces, making it an ideal choice for assembly and maintenance work in various industries.

- **Tip Type:** Torx STANDARD
- **Guide Size:** 5/16"
- **Length:** Short (T45x35)
- **Material:** High-quality steel
- **Compatibility:** Torx screws
- **Use:** Ideal for working in confined spaces
- **Ergonomic design:** Facilitates handling and precision
- **Durability:** High durability and wear resistance
- **Applications:** Maintenance, assembly, and repair
- **Manufacturer:** Witte

Specifications

EAN	4003955301358
Manufacturer	WITTE
Weight (kg)	0,0100
