Description

The Witte-27854 is a STANDARD hex bit designed to provide precise and efficient guidance in screwdriving applications. With a 5/16" drive and a length of 30 mm, this tool is ideal for jobs requiring a high degree of precision and control. Its robust and durable design ensures optimal performance under various working conditions, making it a reliable choice for professionals and DIY enthusiasts alike. The hexagonal tip allows for a secure fit with screws, minimizing the risk of slippage and ensuring effective power transmission.

- **Product Type:** STANDARD Hex Bit
- **Size:** 5/16"
- **Length:** 30 mm
- **Material:** High-quality steel
- **Design:** Hex tip for a secure fit
- **Use:** Ideal for screwdriving in various applications
- **Compatibility:** Compatible with standard screwdriving tools
- **Durability:** Resistant to wear and corrosion
- **Precision:** Provides a firm and precise fit
- **Applications:** Professional and home use

Specifications

EAN	4003955301686

Manufacturer	WITTE
Weight (kg)	0,0100
