Description

The Witte-27485 Tri-Wing Standard bit is a versatile tool designed to meet the needs of most screwdriving applications. Its optimized design allows it to withstand high torque values, making it ideal for working with wood screws and other demanding materials. BITPRO technology ensures exceptional durability, even in situations requiring increased torque, such as when driving metric screws into metal. With a short 1/4" guide, this bit is compatible with a wide range of screwdrivers and drills, making it easy to use for various DIY and professional tasks.

- **Model:** Witte-27485-Standard Tri-Wing Bit
- **Tip Type:** Tri-Wing
- **Guide:** Short 1/4"
- **Applications:** Wood screws and metric screws threaded into metal
- **Durability:** High, thanks to BITPRO technology
- **Strength:** Withstands high torque values
- **Compatibility:** Compatible with standard screwdrivers and drills
- **Use:** Ideal for DIY and professional applications
- **Dimensions:** 5x25 mm
- **Material:** High-quality steel

Specifications

EAN	4003955315720
Manufacturer	WITTE
