Description

Witte's universal magnetic pen holder is a tool designed to facilitate the handling and fixing of drill bits during drilling operations. Its construction incorporates a spring retainer system that ensures the position of the punch, avoiding accidental falls and improving safety at work.

Technical characteristics

- Type: Universal magnetic pencil holder
- Product identifier: P1-01-041-V07
- Article code: 26001
- Size: SW 1/4" x 75
- Spanish size: Retaining spring
- Metal-free: 1/4"
- Net weight: 0.0000 kg
- Country of origin: TW
- Manufacturer: Witte
- Intrastat classification: 8466103800
- Content unit: Piece
- Minimum quantity: 1
- Presentation: Granel
- AECOC classification: 08040810
- Chain Classification88: 0804081002

- Sections: Tools and machinery

Thanks to its magnetic design and spring restraint mechanism, this device allows precise handling in environments where 1/4" drill bits are required without the need for additional tools for initial placement.
