Description

The Witte-27747 COMBIT-BOX 17 Bulk Screwdriver Bit Box (Construction Type) is an ideal solution for professionals and DIY enthusiasts looking for an efficient and accessible storage system for their screwdriver bits. This cardboard dispenser box is extremely robust and designed to withstand daily use in demanding work environments. Its compact design allows the COMBIT-BOX 17 to easily fit in any pocket, facilitating transport and quick access to the necessary tools.

The assortment of bits inside the box is carefully selected to offer a variety that covers the most common needs, allowing for quick identification and selection of the right bit for each task.

In addition, the integrated magnetic bit holder transforms the box into a manual screwdriver, increasing its functionality and versatility at work.
