OLFA cutter with automatic lock and ultra-sharp 12.5 mm black blade

Brand: OLFA

Reference: TUR FWP-1

The Olfa-FWP-1 utility knife is designed for wallpapering, featuring an ultra-sharp 12.5 mm black blade. Its automatic locking mechanism ensures safety and precision. Compact like a 9 mm cutter, yet robust like an 18 mm one, it's ideal for clean cuts.

Description

The Olfa-FWP-1 cutter is a specialized tool designed for wallpapering, combining the precision of a 9 mm cutter with the robustness of an 18 mm one. Its ultra-sharp black blade, 12.5 mm wide and 0.25 mm thick, allows for clean and precise cuts, minimizing the visibility of the cut surface on the wallpaper. This innovative design is ideal for professionals and hobbyists seeking flawless results in their wallcovering projects.

The blade channel, made of fully hardened stainless steel, guarantees high strength and durability. Furthermore, the handle features a non-slip rubber grip on the back, providing a secure and comfortable hold during use.

The automatic locking system allows you to securely fasten the blade with a single touch, ensuring maximum safety and control with every cut.

- Ultra-sharp 12.5 mm black blade.
- Blade thickness: 0.25 mm.
- Specifically designed for cutting wallpaper.
- One-touch automatic blade lock.
- Hardened stainless steel blade channel.
- Non-slip rubber on the handle for a secure grip.
- Compact and lightweight, ideal for precision work.
- Least noticeable cutting surface.
- Comparable strength to an 18 mm cutter.
- Ergonomic design for extended use.

Specifications

High	1,30
Width	8,00
EAN	91511100297
Manufacturer	Olfa
Weight (kg)	0,0500
Depth	22,00
