Description

The Olfa-DC-4 is a safety container specifically designed for the storage and disposal of used blades. This product is ideal for professionals and hobbyists seeking a safe and efficient solution for managing their cutting tools. Its innovative design includes a push-to-open lid, facilitating access and blade insertion without compromising user safety. Furthermore, it allows for the separation of stored blades, facilitating their subsequent recycling and reuse, thus contributing to more sustainable waste management.

- **Material:** Made of strong and durable plastic.
- **Dimensions:** Compact and easy to store.
- **Safety Lid:** Opens with a press, preventing accidents.
- **Capacity:** Designed to store multiple used blades.
- **Recyclable:** Allows for the separation and recycling of blades.
- **Use:** Ideal for work environments, workshops, and crafts.
- **Color:** Neutral color design that adapts to any space.
- **Maintenance:** Easy to clean and maintain.
- **Safety:** Reduces the risk of cuts and accidents.
- **Compatibility:** Suitable for various brands of blades.
