Description

140 mm multipurpose scissors are a versatile tool designed to make precise and powerful cuts in various materials. Its robust construction makes them ideal for general cutting tasks where reliability and handling comfort are required.

Technical characteristics

- High Quality Stainless Steel Blades
- Design of toothed blades for a powerful and precise cutting
- Semi-round tip for greater security
- Lightweight and high-strength ABS handles
- Suitable for use with right or left hand (left)

The combination of resistant materials and ergonomics in the handles allow effective control during use, facilitating clean cutting operations without excessive effort.

Specifications

EAN	0091511400403
