Description

170 mm multipurpose scissors are a versatile tool designed to make precise and powerful cuts in various materials. Its robust construction ensures lasting performance in both domestic and professional environments.

Technical characteristics

- Size: 170 mm
- High Quality Stainless Steel Blades
- Design of toothed blades for greater power and precision
- Semi-round tip for greater security
- Handles made of lightweight and resistant ABS
- Compatible with right-handed and left-handed use

The combination of stainless steel and ABS handles provides an optimal balance between lightness and mechanical strength, making it easy to handle without fatigue.

Specifications

EAN	0091511400410
