Description

The NWS-2014-8 is a 1/2-inch hex socket designed to deliver exceptional performance in demanding applications. Made from forged, oil-treated chrome-vanadium steel, this socket ensures superior durability and strength, ideal for mechanical and maintenance work. Its ergonomic design and robust construction ensure a perfect fit and secure grip, minimizing the risk of slippage during use.

The two-tone, multi-layer insulation, with a red exterior and yellow interior, not only provides an attractive aesthetic but also enhances product visibility and identification in the workplace.

This socket is an essential tool for professionals seeking quality and reliability in their work tools.

- **Material:** Forged and oil-treated chrome-vanadium steel
- **Size:** 1/2 inch
- **Tip:** Hexagonal
- **Insulation:** Bi-color multi-layer (red exterior, yellow interior)
- **Durability:** High wear resistance
- **Use:** Ideal for mechanical and maintenance work
- **Design:** Ergonomic for easy grip
- **Identification:** Colors for enhanced visibility
- **Compatibility:** Compatible with various impact tools
- **Manufacturing:** High-quality forging process

Specifications

EAN	4003758201480
Manufacturer	NWS
Weight (kg)	0,1000
