Description

The ATM-A202 Replacement Nylon Plug (Ø 28 mm) is a component specifically designed for the A100 series nylon mallets. This replacement plug guarantees optimal performance and extended durability, allowing the mallets to remain functional in various applications. Its precise design and high-quality materials ensure excellent wear resistance, making it an ideal choice for those looking to keep their tools in optimal condition.

- **Diameter:** 28 mm
- **Compatibility:** A100 Series Nylon Mallet
- **Material:** High-strength nylon
- **Use:** Replacement to extend the life of the mallet
- **Durability:** Resistant to wear and impacts
- **Ease of Installation:** Design allows for easy replacement
- **Applications:** Ideal for working on various surfaces
- **Color:** Black
- **Weight:** Lightweight, facilitating handling
- **Dimensions:** Compact for easy storage efficient

This nylon cue is a practical solution for those who require a reliable and high-quality replacement for their cue sticks, ensuring consistent performance over time.

Specifications

EAN	8435130715609
Manufacturer	ATM
Material	Nylon
