Description

The Ruko-102310E countersink and deburring set is an essential tool for both professional and amateur machinists. Made of high-speed steel (HSS-Co), this set offers exceptional durability and precision, ideal for jobs requiring high-quality finishes. The collapsible metal case provides safe and tidy storage, making the tools easy to transport and organize.

The set includes four countersinks and deburring tools with specific diameters, allowing for deburring and countersinking operations on various hole sizes.

Additionally, a 30-gram cutting paste is included, which optimizes tool performance and extends their lifespan.

- **Composition:** 4 countersink/deburring tools
- **Material:** High-speed steel (HSS-Co)
- **Countersink diameters:** Ø 2/5, 5/10, 10/15, 15/20 mm
- **Cutting paste:** 30 grams included
- **Storage:** Folding metal case
- **Use:** Ideal for deburring and countersinking holes
- **Durability:** High wear resistance
- **Precision:** High-quality finishes
- **Versatility:** Suitable for various applications on metal and other materials
- **Portability:** Compact and lightweight design

Specifications

EAN	4007140004239
