Description

The Ruko-102312E is a set of four high-precision countersinks/deburring tools, made of high-speed steel (HSS-Co), designed to deliver exceptional performance in deburring and countersinking metal materials. This set includes four tools with specific diameters that allow for quality finishes in various industrial and DIY applications. The plastic case with a hinged lid provides a practical and secure storage solution, keeping the tools organized and accessible.

- **Composition:** 4 countersink/deburring tools.
- **Available Diameters:** Ø 2/5 mm, 5/10 mm, 10/15 mm, 15/20 mm.
- **Material:** High-speed steel (HSS-Co) for durability.
- **Use:** Ideal for deburring and countersinking metals.
- **Case:** Plastic with a hinged lid for efficient storage.
- **Cutting Spray:** Includes 50 ml of cutting spray to improve performance.
- **Precision:** Tools designed for high-quality finishes.
- **Versatility:** Suitable for various applications in metalworking and DIY.
- **Easy handling:** Ergonomic design for ease of use.
- **Portability:** Compact and lightweight, ideal for transport.
