Description

The Ruko-126304 12-piece core drill bit set is designed to deliver exceptional performance for heavy-duty maintenance tasks. Made from high-speed steel (HSS-Co), these core drill bits ensure superior durability and strength, allowing for precise drilling in a variety of materials. The red plastic carrying case provides safe and organized storage, facilitating transport and protecting the tools. Each core bit is designed for a perfect fit in standard drills, ensuring efficient and trouble-free operation.

- **Material:** High-speed steel (HSS-Co)
- **Quantity:** 12 core bits
- **Use:** Super-type maintenance
- **Case:** Red plastic for storage and transport
- **Compatibility:** Fits standard drills
- **Applications:** Drilling in various materials
- **Durability:** High wear resistance
- **Accuracy:** Optimized design for precise drilling
- **Dimensions:** Variety of sizes for different needs
- **Ease of use:** Quick and easy installation

Specifications

High	8,50
Width	33,00
EAN	4007140130372
Manufacturer	Ruko
Weight (kg)	1,9500
Depth	28,00
