Description

The Ruko-206030 2-pack of rolled HSS drill bits (3 mm diameter) is designed to deliver optimal performance for high-precision drilling in various materials. Made from high-speed steel (HSS), these drill bits guarantee exceptional durability and wear resistance, making them an essential tool for professionals and DIY enthusiasts alike. Their rolled design allows for better chip evacuation, reducing the risk of overheating and improving work efficiency. These drill bits are ideal for applications in metal, wood, and plastics, ensuring quality results every time.

- **Diameter:** 3 mm
- **Material:** High-speed steel (HSS)
- **Type:** Rolled
- **Use:** Drilling in metal, wood, and plastics
- **Durability:** High wear resistance
- **Chip evacuation:** Optimized design to prevent overheating
- **Compatibility:** Suitable for hand and bench drills
- **Finish:** Surface treated for greater precision
- **Applications:** Ideal for DIY and professional work
- **Quantity:** Pack of 2 units

Specifications

High	0,30
Width	4,00
EAN	4007140017963
Manufacturer	Ruko
Weight (kg)	0,1000

Depth	13,00
