Description

The Terrax-A106340 hole saw set is an essential tool for maintenance and electrical professionals. Made of bi-metal HSS with a variable tooth design, these hole saws offer excellent durability and performance in a wide variety of materials. Their distinctive red color not only provides an attractive appearance but also facilitates identification on the job site. The included plastic case ensures safe and tidy storage, allowing easy access to each piece when needed.

This set includes hole saws of different diameters, making it a versatile solution for various applications. With a range from 22.0 mm to 68.0 mm, each hole saw is designed to make precise and efficient cuts.

Additionally, the set includes holders for A4 and A2 hole saws, further expanding its functionality.

- Material: Variable toothed bi-metal HSS
- Color: Red
- Case: Plastic for safe storage
- Hole saw diameters: 22.0 mm, 29.0 mm, 35.0 mm, 44.0 mm, 51.0 mm, 68.0 mm
- Holders included: A4 and A2
- Ideal for maintenance and electrical work
- Precise and efficient cuts
- Durability and wear resistance
- Easy identification and access to tools
- Versatility in drilling applications

Specifications

EAN	4007140137128
Manufacturer	Terrax
Material	Steel
Weight (kg)	1,4400
