Description

The Vogel-221530 depth gauge, compliant with DIN 862, is a high-precision measuring tool designed to meet the demands of professionals in various sectors. Made of hardened stainless steel with a matte chrome finish, this gauge guarantees durability and corrosion resistance, making it a reliable instrument for everyday use. Its monobloc case construction provides greater stability and measurement accuracy, while the adjustment screw allows for simple and effective calibration. It also includes a faux leather case that protects the instrument and facilitates its transport.

- **Material:** Hardened stainless steel
- **Finish:** Matte chrome
- **Standard:** DIN 862
- **Measuring capacity:** 150 mm
- **Structure:** Monobloc case
- **Adjustment screw:** For precise calibration
- **Case:** Faux leather for protection and transport
- **Use:** Ideal for industrial and mechanical applications
- **Accuracy:** High measurement accuracy
- **Dimensions:** Compact and lightweight

Specifications

EAN	4010873355301
Manufacturer	Vogel
Weight (kg)	0,1000
