

Product sheet

**VOGEL comparator holder with control surface and precise adjustment.**

Brand: Vogel

Reference: TUR 258013

Vogel-258013 comparator stand with grooved control surface made of hardened steel and chrome-plated column. Designed for comparators with an 8 mm diameter stem, it allows for fine adjustment and offers stability for precise measurements. Comparator not included.

[View product online](#)**Description**

The Vogel-258013 comparator stand is an essential tool for professionals who require precise measurements. This device is designed to provide a solid and stable base, allowing for the efficient use of comparators with an 8 mm diameter shaft. Its grooved control surface, made of hardened and finely ground steel, guarantees high strength and durability, as well as excellent flatness for accurate results. The chrome-plated column provides fine adjustment, facilitating calibration and positioning of the comparator in various measurement applications.

- **Model:** Vogel-258013
- **Control Surface:** Hardened and finely ground steel
- **Column Type:** Chrome-plated
- **Adjustment:** Fine
- **Compatibility:** Comparators with Ø 8 mm stem
- **Design:** Grooved for greater stability
- **Use:** Ideal for high-precision measurement applications
- **Dimensions:** Compact and easy to handle
- **Durability:** High-quality materials for long-lasting use
- **Applications:** Workshops, laboratories, and environments industrial

Specifications

EAN	4010873431845
Manufacturer	Vogel
Weight (kg)	3,7900
