Description

The ATM-C200 Electronic Digital Caliper is a precise and versatile measuring tool designed to meet the needs of professionals and hobbyists in the fields of mechanics and woodworking. With a measuring scale of 0 to 150 mm, this caliper offers four measuring functions, allowing for easy measurements in millimeters and inches. Its digital plastic unit ensures durability and resistance, while the included plastic case provides additional protection for storage and transport.

Among its technical specifications, the ATM-C200 features an LCD display that makes reading the results easy.

Its resolution of 0.01 mm/0.0005" and an accuracy of ± 0.02 mm for measurements less than 100 mm, and ± 0.03 mm for measurements between 100 and 150 mm, ensure reliable results. Furthermore, its maximum measuring speed is ± 1.5 m/s; 60"/s, allowing for fast and efficient measurements.

- Scale: 0 - 150 mm
- Resolution: 0.01 mm/0.0005"
- Accuracy: ± 0.02 mm (

Specifications

EAN	8435130719850
Manufacturer	ATM
Material	Plástico

Weight (kg)	0,1500
