Description

The Sola-UZ8DISPLAY spirit level is an essential tool for construction and installation professionals. Its body is made of high-strength ABS plastic in an attractive red color, which not only provides durability but also makes it easy to locate on the job site. This level features a prismatic base that ensures precise alignment, allowing its use in various applications, from masonry to plumbing.

Designed especially for painters, this level is ideal for aligning bricks, roof tiles, and pipes.

It is also useful for installing electrical rails and panels, ensuring that every project is completed with maximum precision.
