Description

The **GT Line-PANEXPL27** is a panel specifically designed to optimize the interior space of the EXPLORER suitcase lids, models 2712 and 2717. This accessory allows for efficient organization of your belongings, facilitating access to the items you need during your travels. With a robust and functional structure, the panel adapts perfectly to the dimensions of the EXPLORER suitcases, guaranteeing a secure and stable fit.

The panels are equipped with multiple pockets, ideal for storing small items and keeping the inside of the suitcase organized.

Its practical design not only enhances the functionality of the suitcase but also contributes to a more comfortable and organized travel experience.

- Suitable for EXPLORER suitcases models 2712, 2717, 3818, 4820, 5822, 5833, 7630, and 7641.
- Panels with pockets for better organization.
- Made with high-quality materials for durability.
- Design that maximizes the use of interior space.
- Easy installation on suitcase lids.
- Compatible with a wide range of EXPLORER models.
- Lightweight and easy to handle.
- Ideal for business and leisure travel.
- Facilitates access to essential items while traveling.
- Helps maintain order and cleanliness in the suitcase.
