Description

The Umeta-7321751-200/M22 Quick Adapter is an essential component for optimizing equipment connections in various industrial and maintenance applications. This adapter is designed to provide a quick and secure connection, facilitating the easy exchange of tools and accessories. Its robust construction ensures durability and resistance, making it a reliable choice for demanding work environments. This adapter is sold separately, allowing users to purchase only what they need for their specific projects.

- **Model:** Umeta-7321751
- **Type:** Quick Adapter 200/M22
- **Material:** High-strength steel
- **Connection:** Compatible with M22 systems
- **Use:** Ideal for industrial and maintenance applications
- **Dimensions:** Compact and lightweight
- **Installation:** Quick and easy
- **Durability:** Resistant to harsh conditions
- **Compatibility:** Fits various tools and equipment
- **Sales:** Sold separately

Specifications

EAN	4016532002739
Manufacturer	Umeta
Weight (kg)	0,1200
