Description

The Umeta-7322451-200/K Rapid Adapter is an essential component designed to optimize connectivity and performance in various applications. This adapter is characterized by its robust construction and its ability to facilitate quick and efficient device connections. Its design allows for easy installation and seamless integration with other equipment, ensuring reliable operation in demanding environments. This product is sold separately, allowing users to purchase only what they need for their specific projects.

- **Model:** Umeta-7322451-200/K Rapid Adapter
- **Type:** Rapid Adapter
- **Compatibility:** Designed for multiple devices
- **Material:** Robust construction for durability
- **Installation:** Quick and easy
- **Performance:** Optimizes connectivity
- **Use:** Ideal for demanding environments
- **Dimensions:** Compact and lightweight
- **Accessories:** Sold separately
- **Warranty:** Subject to manufacturer's conditions

Specifications

EAN	4016532002746
Manufacturer	Umeta
Weight (kg)	0,1200
